LA FESTA DEI CEREBALI

THIRD EDITION of CARLOTTA AWARD

in the frame of the International Conference

“From Seed to Pasta V”

BARI - ITALY, 24 - 27 September 2025

The Prize celebrates women scientists working on genetics and genomics of wheat and related species and is reserved exclusively to women researchers under 40 at the deadline submission.

The application must consist of an original scientific paper, published or accepted for publication (between Nov.2022-Apr.2025) or ready to be submitted to one journal (indicate the journal and the Editorial Group: Wiley, Elsevier, MDPI).

The scientific areas on which the works are focused are:

- wheat genetics, genomics and breeding;
- sustainable wheat production for food security, food quality and safety, durum wheat-pasta value chain.

Deadline submission 30/04/2025
