**Carlotta Award Second Edition  
at International Conference "From Seed to Pasta IV"  
(FSTP4)  
Bologna - 26/28 October 2022**

The prize "Carlotta Award 2022" for young researchers is reserved exclusively for women under 40 at the deadline submission. The application must consist of an abstract describing original work, accompanied by a detailed *curriculum vitae* and list of publications.

The winner will be selected by a special jury of experts and, in case of the same judgment between two (or more) candidates, the youngest will be entitled to the prize as an incentive to her scientific and professional growth.

For the second edition, the prizes will be two: one focused on genetics, genomics and breeding, the other on pasta and food derived from cereals. So, the scientific works should be addressed on the main thematic areas 1-5 (a) and the main thematic areas 6-8 (b) of the **International Congress FSTP-4**:

- a) wheat genetics, genomics and breeding;
- b) sustainable wheat production for food security, healthier durum for healthier lives, durum wheat-pasta value chain.

**The submission deadline is 15<sup>TH</sup> of June 2022.**
